Report of the Workshop

One day Career counseling session was organized by Department of Mathematics on 31 August 2019 for first year students to make them aware about various opportunities and trends in the field of Mathematics after graduation. The resource person for the session was Prof. J. G. Patil Dept Mathematics; Dr. Dr. S.V. Borase welcomed and gave brief introduction of resource person. Prof. J. G. Patil gave brief introduction about various opportunities and scope in the various fields. He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talk about how to focus on how to develop problem solving through study of mathematical principals and what are the efforts to be put into make dream true. He explains by giving example of various successful people that how they achieved status in spite that of having lack of facilities and financial support. The students cleared their doubt by asking various questions regarding the confusion they usually face while deciding their carrier.
