Annual E-Governance Report

S.S.V.P.S's Late S. D. Patil alias Baburao Dada Arts, Commerce and Late M. D. Sisode Science College Shindkheda has implemented e-governance for sharing information and to manage human resource efficiently with transparency through participation and accountably from all stakeholders. The Enterprise Resource Planning (ERP) of the HEI is categorized as two major areas like e-administration and e- services. E-administration uses ICT for information process and decision making by the Governing body, head of the institution, IQAC and different committees formed to decentralize the administration. E- Service provides various service facilities. Most of the staff and students use smart phones to utilize the benefits of modern day technologies available in the field of higher education

A company known as Mastersoft **ERP Softwares Pvt. Ltd, Nagpur** was selected through tender process for implementing e-governance in various domains of college administration. Students' attendance management, students' database, examination and continuous assessment record were made by automation process. Another vendor is selected to provide necessary support for maintaining College website. Teachers are able to upload lectures, assignments on the YouTube Channel.

A dedicated WhatsApp Group has been created at institution level and also in each academic department for sharing orders, information, direction and discussion on a common platform. The necessary budgetary allotments for implementation of various government schemes and digital avas... are provided by the college and proper utilization is ensured with utmost transparency within time limits.
